<b>MAMMALS - ORDER ARTIODACTYLA</b>																			
*Caribou (Reindeer)	<i>Rangifer tarandus</i>						0	0	0										

KEY

\*This is the first time on any visit to South Georgia in recent years that we have had South Georgia Pipits on all 3 days of our visit and no reindeer on any of those days. It would seem that the South Georgia Restoration Project is working wonderfully and we thank you for your interest and your support!
